

MEETING HAUTS-DE-FRANCE PAS-DE-CALAIS TROPHEE EDF

Thursday 17 February 2022 – ARENA LIEVIN

Organizer: Philippe LAMBLIN

Meeting Director: Jean-Pierre WATELLE

Co-vid Reference LH DFA: Sylvain MICHEL 06/61/94/62/05

Medical Reference LH DFA: Doctor Béchir BOUDJEMAA 06/22/18/38/96

The official information on the progression of the Covid-19 epidemic in France and the sanitary regulations are perpetually evolving as well as the proposed adaptations by the Minister of Sports.

Principles of Implementation

The FFA reiterates its priority of protecting its audiences in the fight against the spread of the virus. Therefore, it continues to call for vigilance, a sense of responsibility, and civility from the managers, coaches, volunteers, and all those participants of affiliated clubs or authorized structures to continue the implementation of the following recommendations:

Meeting Organization

Rules and recommendations for organizing sporting events

- Reception conditions for authorized personnel only: List established beforehand:
 - Athletes SHN or listed: registered for competition
 - Professional foreign athletes: registered for competition
 - Coaches of registered athletes
 - Officials, directors, and managers of the competition
 - For anyone entering the stadium (athletes, coaches, officials, spectators, journalists, etc) presentation of a vaccination pass is **mandatory**.

Co-vid Contact Person LH DFA: Sylvain MICHEL 06/61/94/62/05

Medical Contact Person LH DFA: Doctor Béchir BOUDJEMAA 06/22/18/38/96

All participants, volunteers and service providers will be authorized to enter the stadium only by presenting a valid vaccination pass.

The accreditations will be given only after the presenting a vaccination pass.

Prevention Gestures:

Constant wearing of a mask (over the nose) is the rule for everyone. With the exception for athletes during competition and during their warmup.

The regulations for security measures will be placed in various areas of the stadium

Hydro-alcoholic gel will be available at all key points of passage (entrance/exits of the stadium, catering, restrooms, etc....)

The prevention gestures are everyone's responsibility; any serious breach can lead to exclusion from the competition and a withdrawal of one's accreditation from the Meeting Director.

Restrooms with be accessible and cleaned regularly with a person passing every 30 minutes.

All vaccines are currently accepted, including Sputnik V and Sinovac/Sinopharm
